Who We Are

Founded in 2020, Unconventional Kitchen operates from the former kitchen of the Vincentian Sisters in McCandless, PA. Rooted in faith and tradition, we honor the spirit of service by supporting Vincentian's mission of intergenerational care—from children to seniors—throughout Southwestern Pennsylvania. All proceeds from Unconventional Kitchen directly support Vincentian's nonprofit mission of compassionate, intergenerational care.

With every dish, we carry forward a legacy of nourishment, compassion, and community. Everyone is welcome at our table!
